**WELCOME!**

We are located on the secluded northwest corner of Big Jessie Lake, one of over 1000 lakes located in Itasca County...Minnesota's 3rd largest county. Bald eagles are often seen here as we are in the Chippewa National Forest. Our private setting and Itasca County provide the perfect place to relax, fish, enjoy the wildlife and birds, and to "get away from it all."

Big Jessie Lake is a 1753-acre lake with 9 miles of shoreline (4-1/2 miles long and over 1/2 mile wide). Its maximum depth is 42'. Jessie is actively managed by the MN DNR for walleye and also has great populations of pike, bass, jumbo perch, large crappies & bluegills. The lake welcomes water sport lovers as well!

We look forward to meeting you and helping make your vacation a most enjoyable one!

Your Hosts,  
Steve & Patsy Bowers
